

Payment details

Payment for medical services is carried out according to the approved tariffs by cashless payments when concluding transactions or personally by the patient through the Privat Bank terminal, which is located on the ground floor of the TMA polyclinic, or directly in another bank.

In order to fulfill the requirements of the Instruction on the procedure for forming a payment code for payment for services and improving the mechanism of crediting, distributing and transferring funds received as payment for the cost of paid services, payment codes have been formed for payment through the terminal:

EXAMPLE of forming a payment code in the requisites "Purpose of payment"

Payment for the service by an individual who, in accordance with the legislation of Ukraine, has an RNOPP:
